

A SPECIAL VISION ON LORD JESUS CHRIST SECRET COMING

My dear ones in Lord Jesus Christ:

I am giving the factual truth of a direct revelation received from the Lord Jesus Christ about His second return to this earth to take His saints:

1. On 28th February 2005 while I was taking rest at 03.,30 pm after a fasting and prayer, a power came upon me forcing me to kneel down and pray with tears. I heard a voice saying that "I am going to come very soon" and all arrangements in heaven are complete, of course the exact year or time was not given to me. I became caught by excessive fear of God and then again I received a similar experience on 28th April 2006 which I recorded in my Hindi Bible.

Then again I received a severe death pain experience at 0200 hours in the morning of 02 March 2008 (Tuesday) and started crying loudly. I heard a voice from the Lord Jesus Christ that henceforth I should not preach about the coming of the Lord Jesus Christ as I preached earlier. instead of Lord Jesus asked me to preach in the following manner:

Lord Jesus clearly told me that I am standing at the door and will appear at any time. Further He showed me a heavenly time schedule of His coming as 11:58. This means there is ONLY TWO MINUTES LEFT OVER AS PER HEAVENLY SCHEDULE FOR HIS SECRET COMING. Then I requested HIM that Lord how I can tell about this kind of time to others? He then told me that He would show this time through one of the renowned missionaries in the world. After few days Evangelist REINHARD BONNKE declared in his preaching in KOCHI, KERALA (INDIA) in the second week of APRIL 2008 about this particular timing in his famous book TIME IS RUNNING OUT, ON THE FRONT PAGE OF THIS FAMOUS BOOK THE TIME IS GIVEN AS 11:58. NOBODY KNOWS THE EXACT TIME OF THE COMING OF THE THE LORD JESUS CHRIST BUT WE STAND AT THE LAST HOUR. LET US REACH THE GOSPEL TO THE UNREACHED PLACE EVEN AT THE COST OF OUR PRECIOUS LIVES.

I am standing at the door step and shall appear in my glory so soon. Again this special experience was repeated on the same hours of 12th March 2008 (Wednesday) and also on 14th March 2008 (Friday) stating the following:

1. All the Pastors and believers should not accumulate wealth any more but use it for Gospel work and they should lead a humble and simple life. Any sort of luxurious and pompous life is not at all liked by our Lord Jesus Christ. They should take every step in their spiritual and material life after taking consent from the Lord Jesus Christ. Gospel should be reached at any cost.

2. Lord Jesus Christ asked me to flash this message to all Christian leaders and believers.

3. All those name sake Christians should be born again (John: 3:4-5). All such persons those who are born again should take believer's water baptism and also should be

baptised in the Holy Spirit. They should also lead a holy, simple and humble life giving good example to others.

4. All Christians in India should separate 10 minutes in the night time and should pray with tears at the decided time for the gospelisation of the whole world.

At the end of the revelation I fully agreed to leave all profitable things of this world and flash this message to all people for the coming days as per Lord Jesus's planning and instructions.

Dear ones, those who read and receive this message, be kind enough to follow the above message with a humble heart and get ready for the coming of the Lord Jesus Christ. Please share this message with your dear ones and friends.

May Lord Jesus Christ WHO died on the cross for the remission of the sins of whole humankind, bless you all and lead you all to the deeper truth and for His imminent secret second coming to take His saints. When Jonah preached in the city of Nineveh, all people including the King came down with fasting and praying, leaving all things aside. There should be similar repentance on the part of all Christians throughout the world and should take immediate decision to reach the gospel to all unreached areas of the whole world.

There should be a burning fire inside the heart of each Christian with a burden for perishing souls. All facilities including precious lives should be submitted unconditionally on the altar of the Cross of Calvary in order to bring as many as souls to the feet of the Lord Jesus Christ before His imminent RETURN.

May the name of the Father, the Son Lord Jesus Christ and the Holy Spirit be glorified for ever and ever. AMEN.

In His service
Bro (Pastor) Thomas Mathai
